

Leading Innovation

Workshop information

Unlock creativity and inspire fresh thinking in your team

In a world that's constantly changing, innovation is the key to staying ahead. Leaders who foster creativity and encourage new ideas drive growth, adaptability, and lasting impact.

This three-hour workshop equips leaders with practical tools to unlock creativity – in themselves and their teams. Part of the **Inspiring** and **Thriving** practices of the **practive8** model, this session helps participants build environments where innovation thrives and ideas become reality.

Why leading innovation matters

Innovation isn't just about having ideas; it's about creating the right conditions for those ideas to flourish. Leaders who excel in innovation can:

- Encourage creative thinking and diverse perspectives.
- Build a culture where experimentation and learning are celebrated.
- Turn big ideas into actionable solutions that drive results.

As Albert Einstein said, "Creativity is intelligence having fun."

Workshop features for maximum impact

- 1. Practical creative techniques**
Explore tools and methods to spark new ideas, overcome mental blocks, and think outside the box.
- 2. Building an innovation mindset**
Learn how to create a safe space for experimentation and encourage your team to embrace change.
- 3. Prepare, practise, perfect**
Includes pre-work and post-workshop resources to reinforce learning.
- 4. Tailored to your context**
A pre-session consultation ensures the workshop aligns with your organisation's innovation goals and challenges.
